## 10 Reasons to OPPOSE Pro-Abortion Amendment 3

- 1 Parental Consent laws will be eliminated**  
If a "right" to abortion is enshrined in our Missouri Constitution it would allow abortions to be performed on pregnant minors without notice to or consent from the minor's parents.
  - 2 Abortion - all 9 months**  
If our Missouri Constitution is amended with a "right" to abortion, abortion will be allowed for "physical or mental health" for all 9 months from conception to live birth.
  - 3 No alternatives allowed**  
This amendment callously disregards the unborn child and the alternatives to sacrificing his/her life and future while helping his/her mother.
  - 4 Health & Safety standards eliminated**  
Missouri health and safety standards for abortion clinics would be gutted if this amendment passes. Its language would even allow some unlicensed persons to perform or induce abortions.
  - 5 MO's pro-life laws will be eliminated**  
Our Missouri Constitution is our state's supreme (highest) law and governing document. Our pro-life laws in more than sixty sections of the Revised Statutes of Missouri will be eliminated by enshrining a "right" to abortion in our Missouri Constitution.
  - 6 Women lose ability to sue for malpractice**  
A woman's ability to seek criminal prosecution/civil penalty of any person who performs/assists/provides support to induce/seek/obtain an abortion will be eliminated.
  - 7 PRCs forced to refer for abortion**  
Pregnancy Resource Centers will be forced to refer for abortion.
  - 8 Ultrasounds eliminated**  
Abortion clinics will no longer be required to offer or show a mother her baby's ultrasound image.
  - 9 Significant \$ Loss to MO**  
Missouri could suffer a significant loss to state and local revenue if this language is enshrined in the Missouri Constitution.
  - 10 Taxpayer-funded abortion**  
If abortion is enshrined as a "right" in our Missouri Constitution, your legislator will be unable to refuse to appropriate funds to abortion providers.

## Prayer Focus: Youth Convention

November 22-23 in Springfield, Missouri. Pray for Brandon Cederblom and his leadership team as they lead this time of encouragement for the youth of Southern Missouri. Pray for lives to be powerfully affected.

## Prayer Focus: Youth Ministries

Pray for this important area of the church's ministries as we know that teens are targeted by the enemy and our culture to be lead astray and into destructive behaviors that will destroy their lives. Pray that the Holy Spirit will lead churches and leaders with wisdom and an anointing to reach this generation.

## Prayer Focus: Our Nation & Upcoming Election

Pray for our Nation as we go into this Election season. Pray for wisdom and guidance as we read the Amendments purposed and vote on our next leaders. Pray that our votes honor God above all else.

Amendment 3 would bring back Abortion in our state. If passed, it would be legal to "abort" the child up to moment of birth.

## Prayer Focus: Our Churches

Pray for our churches during this holiday season. Statistics show that a high percentage of unchurched people will consider attending a church service during the Christmas season than at any other time of the year. Pray for Christians and Churches to have the guidance of the Holy Spirit during this season to reach people who do not know the Lord Jesus Christ as their savior!

### In closing:

Thank you for your commitment to prayer. We will only extend the reach of the kingdom of God when we join in prayer. In these last days, our position of authority in Christ is crucial in opposing the enemy's plans. We defeat his advance by the weapons of our warfare given to us by God. We want to encourage you that God is raising up an army advancing together in prayer across our district! Let us continue this year in prayer and pray that strong prayer ministries will undergird the ministries of every church!
